

Attention Parents:

By a vote of all MSHSAA schools, the rule on physicals has now changed, effective immediately! Please read the following details carefully.

- All physicals are now good for 730 days (two years) from the date of issue.
- Any student who has a physical on file at their current middle school or high school dated **June 1, 2018**, or later will not need another physical for the **entire** 2019-20 school year.
- Physicals on file dated before June 1, 2018, are good for 730 days from the date and ***may expire before the end of the 2019-20 school year. A student will not be eligible to participate immediately on the day after its expiration (730 total days).***
- If your student's current physical is dated before June 1, 2018, to avoid becoming ineligible in the middle of a sports season or having to get a new physical in the middle of a season, we recommend your student get a new physical that will be good for two full years.

Please contact the WN High School office if you have questions.
