to enroll!

Summer school will be held at Wellington-Napoleon R-IX School. Summer school will focus on Communication Arts and Math. The last hour of each day will include a variety of activities such as movement, nutrition, arts and crafts, etc. Students with perfect attendance for each week will also have a chance to win various prizes.

All students entering Kindergarten - 8th grade are eligible to attend. Scan the QR code with your phone to enroll your child.

Transportation is provided to students living over 1 mile from the school. If your child is planning on riding the bus, you must submit the enrollment form no later than Wednesday, *May 8th*. Once the bus schedule has been set, we will not be able to add students. If your student is not eligible to ride the bus during the school year, they are not eligible to ride during summer school.

A light snack will be provided each day. Please make sure your child eats breakfast before school. Breakfast and lunch will not be available.

The elementary office will be open during Summer School. Please make sure to call 816-240-2621 if there are any changes to your child's dismissal routine.

Please contact Heather Layman if you have any questions.
